**INFORMATION DISCLOSURE STATEMENT**

SIR:

In accordance with 37 C.F.R. §1.56, applicants wish to call the attention of the Examiner to the information identified in the attached form PTO-1449. A copy of the related art references are enclosed. It is requested that the information and art be made of record and included on the 'references cited' portion of any patent issuing from this application.

The concise explanation of relevance of the English language references is found in the references themselves.

Applicants respectfully request that the examiner consider the enclosed reference materials in the examination of this application.

No fees are deemed necessary for the submission of this Information Disclosure Statement, as it is being filed before a first office action in this Application. However, if any fees are necessary in connection with the filing of this Information Disclosure Statement, authorization is granted as noted below.

The citation of this information does not, and is not intended to, constitute a waiver or admission of priority or that any cited item is available as a reference, alone or when combined, or a waiver of any right under applicable statutes, codes, rules, or otherwise.

It is therefore believed that the Examiner will concur with applicant's belief that the subject matter presently claimed is neither anticipated nor rendered obvious by such references. Early and favorable action is respectfully solicited.

*Applicant hereby requests and petitions that any and all extensions of time of the term necessary to render this response timely be granted and/or that all costs and fees required for the requested action herein, not otherwise provided herein, be charged to or credit returned to our **Deposit Account No. 10-0100***
